● This class is offered on site for the first week. Starting week two, this course will be delivered both On Site and Online Live based on the requirement of when on campus equipment is needed for lab exercises. Your instructor will communicate with you when you may be required to be On Site and when Online Live would be available to you as an option.

*A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

Δ Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>

« The instructor for this class will be teaching from the Rice Lake campus.

Please be advised that low-enrollment class sections may be canceled.
