● This class is offered on site for the first week. Starting week two, this course will be delivered both On Site and Online Live based on the requirement of when on campus equipment is needed for lab exercises. Your instructor will communicate with you when you may be required to be On Site and when Online Live would be available to you as an option.

«A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

Please be advised that low-enrollment class sections may be canceled.
