NOTE: Technical diploma level coursework may not transfer to a baccalaureate program.^

ELECTIVE COURSES: To meet the elective course requirements for this program, you will be required to take associate degree level coursework, i.e., catalog numbers beginning with a 10 (with the exception of General College courses 10831103, 10834109, 10835103, and 10838104). Pending program dean approval, technical diploma level coursework, i.e. catalog number beginning with 30, 31, or 32, may also be allowed to meet elective credit requirements for this program. NOTE: Technical diploma level coursework may not transfer to a baccalaureate program.^

GRADUATION REQUIREMENTS: Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet
a program's graduation requirements. If you do not take courses in the recommended sequence above, it may delay your completion of graduation requirements.
A program plan grade point average (GPA) of 2.0 in a 4.0 grade system is required to graduate.
