Select the curriculum checklist based on the academic year you begin enrollment in your program. Students admitted mid-year (January) and/or any student who takes courses out of sequence are not guaranteed course availability in all terms of the program. Enrollment in additional terms may be required to complete graduation requirements.

Pre-program students whose first term of enrollment was in spring should select the curriculum checklist for the next academic year.

Please be advised that low-enrollment class sections may be canceled. You will be contacted by Student Services with information on other class sections available in alternate formats.
