NORTHWOOD TECH Continuing Education

PROFESSIONAL DEVELOPMENT / LIFE & LEISURE

Welcome to Northwood Tech's Summer 2024 Continuing Education catalog. Inside you will find a variety of informative and exciting Professional Development and Life & Leisure courses, designed to enhance your learning experience. Courses are offered in a variety of instructional formats, including:

On Site

These courses are offered in person at a variety of campus locations throughout the district, providing face to face instruction and interaction with the instructor.

Online Live

These courses are offered during a specific time period that can be accessed from your home or office computer or tablet using free web-conferencing software. You will receive log-in information about 1 - 3 days prior to class through the email address you provide when you register. Your computer must have a reliable internet connection, microphone and camera. You can interact with the teacher during the class.

Online

These courses are offered via the Internet and accessed by using a web browser. You can access the course at any time. Offline supervised tests/exams at specified sites may be conducted in conjunction with these courses.

It's Easy to Register!

ONLINE | PHONE | MAIL

For complete registration information, please see [page 14](#).

Commercial Driving

CDL Class B 1

47-458-407

Professional drivers are responsible for the safe and efficient delivery of goods. This course will prepare you for that through a driving simulator and behind-the-wheel activities. The course includes an introduction to the industry, vehicle inspections and systems overview, safe driving techniques, cargo documentation and employer/employee relations. The Class B license does not allow a driver to operate tractor-trailers or other combination vehicles. A student must have their Class B permit before starting this course. Please contact Sara.Dobberschutz@northwoodtech.edu for information and registration.

CDL Permit Prep Online

47-458-405

This is a self-study online course. You may study at your own pace for the written Commercial Driver's License Permit test. This is applicable to Class A or Class B students.

Are you interested in obtaining your Commercial Driver's License? Did you know that before learning how to drive a rig, you need to get a learning permit? This online course is designed for you to progress at your own pace. Receive links to WI Commercial Driver's Manual (WI CDM), suggested readings and study aids, and sample tests which will help prepare you for the CDL Permit Exam. There are no deadlines other than you must be completed with all tests and activities before the end of the academic semester.

Court Mandated Driving

Traffic Safety for Point Reduction

42-812-404

Participants of the Traffic Safety course will examine their driving behavior and review traffic laws and penalties. Emphasis will be placed on ways to drive responsibly. The Traffic Safety class will show participants how to develop a change plan to reduce their risk of traffic violations and crashes. Students who successfully complete this Traffic Safety class may be eligible to receive a three-point reduction from their driving record. This class also meets the requirements for anyone that has received a "Failure to Yield Right of Way Violation" 2011 Wisconsin Act 173-346.18.

Driver Education

Driver Education - Theory

42-812-401

Students gain awareness of the driving task and the responsibilities that accompany it. They demonstrate knowledge of traffic laws and regulations that help provide safe and efficient patterns. Students understand the impact that natural forces and conditions have concerning driving. They learn to identify hazardous conditions and react appropriately to avoid or minimize problems. Students develop an attitude of safe, courteous, and defensive driving. ****Note:** This is an online class with specific assignments to be completed each of the six weeks. Assignments open each Monday morning, and students can work on their assignments anytime throughout the week however, they must have the assignments completed by Sunday evening. **Please register for this class via our new Continuing Education online registration system at bit.ly/NorthwoodTech_driversed**

Motorcycle

3-Wheel Basic Rider Course

42-816-404

The MSF 3-Wheel Basic Rider Course (3WBRC) is a basic, entry-level, learn-to-ride 3-wheel motorcycle (3WMC) training and education course. It provides fundamental skills similar to the MSF Basic Rider Course but on 3-wheel, 3-track motorcycles (not motorcycles with a sidecar or car-based motorcycles). 3WBRC Rider Coaches who have been trained and certified by the MSF conduct the 3WBRC. Please register and pay for this class at LearntoRide3wheel.com. Visit bit.ly/northwoodtech_motorcyclesafety for pre-class instructions.

Motorcycle - Basic Rider 2

42-816-401

The Basic Rider Course-2 (BRC2) is a one-day (8 hour) class for riders who have their own motorcycle, have been riding for one to three years, and have accumulated 3000 to 5000 miles on their current motorcycle. If a rider does not as yet have their Wisconsin Class M Endorsement, they may still participate on a Wisconsin motorcycle Instructional Permit. The BRC2 course also serves as a license skills test waiver in Wisconsin. For pre-class instructions and registration, visit bit.ly/northwoodtech_motorcyclesafety

REGISTRATION POLICIES

Nondiscrimination Notice

Northwood Technical College does not discriminate on the basis of race, color, ancestry, religion, sex, service in the uniformed services, veteran status, national origin, age, disability, sexual orientation, marital or family status, pregnancy, pregnancy-related conditions or status in any group protected by state or local law in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Amanda Gohde, AA/EEO Officer/Title IX Coordinator/Associate Vice President of Talent and Culture 1900 College Drive Rice Lake, WI 54868, 715.645.7042. Wisconsin Relay System TTY:711. Amanda.Gohde@NorthwoodTech.edu

Accommodations for Persons With Disabilities

Reasonable accommodations for persons with disabilities will be made to ensure access to academic programs, activities, services and employment in accordance with 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act of 1990 and the Americans with Disabilities Act (ADA) Amendments Act of 2008. If accommodations are needed, the student should contact the campus Accommodations Specialist or Amanda Gohde, Director, Human Resources, Equal Opportunity/Access & Affirmative Action Officer, at 715.645.7042, 30 days in advance of needed assistance.

Senior Fees

Northwood Technical College has implemented a waiver for students ages 62 plus. This waiver is for personal enrichment courses only (the catalog number begins with 60) and provides up to a 40% discount. (Amount varies based on material fees.) Students age must be 62 plus at the start of the term. Students ages 62 plus who are enrolled in professional courses (catalog number begins with 42 or 47) are still exempt from program fees under State Statute 38.24 (1)(b) and only required to pay material fees, which is approximately \$4.50 for many courses.

MOTORCYCLE SAFETY CLASSES

Ready to ride? Whether you're a brand new rider or have years of experience, motorcycle safety courses at Northwood Tech will teach you safe techniques for riding a motorcycle. Enroll in Motorcycle Basic Rider, Motorcycle Experienced Rider (BRC2), or 3 Wheel Basic Rider courses.

KEEP ON TRUCKIN' | **Truck Driving | Class B | CDL Permit Prep**

Take the wheel! There's a high demand for professional truck drivers. Northwood Tech can help you earn your commercial driver's license. Professional truck drivers are responsible for the safe, efficient delivery of goods between locations. Spend time behind the wheel learning how to maneuver trucks in a variety of real-world scenarios. You will develop backing and driving skills through classroom, lab, range and roadway experiences.

For more information, visit NorthwoodTech.edu or contact us at **800.243.9482**
