* Hours per week represents periods of instruction and/or work-based learning hours per week (class hours). Additional time may be required outside of class to complete assignments. For more details on what you can expect outside of class, please see the "Expectations Outside of the Classroom" section of the Student Handbook

> Due to the course to clock hour conversion, this course meets the 45-clock hour requirement over the term (Scheduled 48 sessions at 50 minutes for 16 weeks; adjusted for 8 weeks)

Select the required course document based on the academic year you begin enrollment in your program.

105XX1XX course offerings are listed by the term they will be offered. Course availability is dependent on demand and enrollment in additional terms may be required to complete graduation requirements.

Please be advised that low-enrollment class sections may be canceled. You will be contacted by Student Services with information on other class sections available in alternate formats.

Credit for Prior Learning not applicable for these courses

^ All students must earn a minimum of 135 hours of fieldwork hours. These hours are completed during 10544112 Gerontology Fieldwork.

NORTHWOOD TECH GENERAL EDUCATION COURSE OPTIONS FOR NORTHWOOD TECH ASSOCIATE DEGREE PROGRAMS

Co-enrollment in 99831900 Writing Essentials may be recommended in addition to English Composition 1.

Specific General Education courses are scheduled as requirements for this program. If you have completed General Education coursework at another Wisconsin technical college, please refer to the Acceptable Transfer Course document at the following link (find your program) to see if your previous coursework will transfer

[Acceptable Transfer Courses](#)

If you have completed General Education coursework at Northwood Tech in a prior term, the same options will apply for your program requirements. Pending Dean approval, technical diploma coursework (i.e. catalog number beginning with 30, 31, or 32) may also be allowed to meet General Education requirements. NOTE: Technical diploma level coursework may not transfer to a baccalaureate program.^

ELECTIVE COURSES: To meet the elective course requirements for this program, you will be required to take associate degree level coursework, i.e., catalog numbers beginning with a 10 (with the level coursework, i.e., catalog numbers beginning with a 10 (with the exception of General College courses 10831103, 10834109, 10835103, and 10858104). Pending program dean approval, technical diploma level coursework, i.e. catalog number beginning with 30, 31, or 32, may also be allowed to meet elective course requirements for this program. NOTE: Technical diploma level coursework may not transfer to a baccalaureate program.^

*Certificate courses are scheduled on an ongoing basis.

CERTIFICATE REQUIREMENTS: Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a certificate's completion requirements.

This certificate requires a GPA of 2.0 in a 4.0 grade system to complete. A grade point of 2.0 or better is needed in all required 10544XXX courses.

GRADUATION REQUIREMENTS: Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a program's graduation requirements. If you do not take courses in the recommended sequence above, it may delay your completion of graduation requirements. A program plan GPA of 2.0 in a 4.0 grade system is required to graduate. You must earn a grade point of 2.0 or better in all 105XXXXX courses.
