

NORTHWOOD TECHNICAL COLLEGE
MEDICAL LABORATORY TECHNICIAN
STUDENT POLICIES

DISTANCE LEARNING EDUCATION POLICY

Blackboard

- All Medical Laboratory Technician (MLT) courses have a Blackboard Ultra component (lecture). You will need to access information via the Internet. You will work with other MLT students using Blackboard Ultra. Note: All labs will be in person.
- If faculty choose to provide PowerPoints they will be provided only in Blackboard Ultra. No handouts will be provided in class. Printing of PowerPoints is optional. Instructors will indicate in Blackboard Ultra if any printing is required for class or for assignments.
- Students will submit assignments via Blackboard Ultra. These assignments must be word processed using Microsoft Word
- Your MLT course materials including course outcome summaries, learning objectives, learning plans, assessments, assignments, and handouts will be provided to you in Blackboard Ultra for each MLT course.
