***Your Choice:** Live face-to-face experience that students can join in 3 different ways: 1) anywhere with internet connection, 2) live in the classroom, or 3) watch the class recording at a convenient time.

** This course should be taken in the fall semester, prior to the final spring semester. This course will be used to build the requirements for the final capstone project that will be completed in 10152113 Applications Development.
