•A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required. In addition to regularly scheduled classroom hours, this class also requires time Online. You will need to determine how to best schedule your online time.

QA work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, and may vary in hours and length.

→To meet the elective credit requirements for this program, you must complete associate degree level coursework, i.e., catalog numbers beginning with a 10 (with the exception of General College courses 10831103, 10834109, 10835103, and 10838104.)

Please be advised that low enrollment class sections may be cancelled. You will be contacted by Student Services with information on other class sections available in alternate formats.
