		3-Credit Elective Needed									

Hybrid: A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

^This class is offered On Site for the first week. Starting week two, this course will be delivered both On Site and Online Live based on the requirement of when on campus equipment is needed for lab exercises. Your instructor will communicate with you when you may be required to be On Site and when Online Live would be available to you as an option.

To meet the Elective credit requirements, you must complete associate degree level coursework, i.e., catalog numbers beginning with a 10 (with the exception of General College courses 10831103, 10838104, 10835103 and 10834109).

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
