Hybrid: A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

*In addition to regularly scheduled classroom hours, this class also requires time Online. You will need to determine how to best schedule your online time.

^This class is offered On Site for the first week. Starting week two, this course will be delivered both On Site and Online Live based on the requirement of when on campus equipment is needed for lab exercises. Your instructor will communicate with you when you may be required to be On Site and when Online Live would be available to you as an option.

Please be advised that low enrollment class sections may be cancelled.
You will be contacted by Student Services with information on other class sections available in alternate formats.
