On Site: This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

∞This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. If you are taking the course online, you are expected to regularly engage in the course throughout the week, with interactive assignments (such as midweek discussions).

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
