A work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, may be paid or unpaid, and may vary in hours and length.

#Clinical classes appear on your schedule from 7:00am to 7:30am, but actual clinical times will be determined by your clinical location.

ΩSpecific clinical schedules will be sent to enrolled students 6 weeks prior to clinical courses starting

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
