On Site: This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

Hybrid: A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>

*In addition to regularly scheduled classroom hours, this class also requires time Online. You will need to determine how to best schedule your online time.

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
