•Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to https://learningcommons.northwoodtech.edu/resources

#This course is reserved for Medical Assistant, Pharmacy Technician, Associate Degree Nursing and Patient Services Specialist program admitted students only.

↗This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

ΩThis course will be delivered virtually using web conferencing in real-time on the days and times scheduled. Attendance is expected during designated class hours by logging into your course remotely. Students will not be on campus to attend this course.

!This course is a recommended study skills course for Human Body in Health and Disease (31509302)

^This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. If you are taking the course online, you are expected to regularly engage in the course throughout the week, with interactive assignments (such as midweek discussions).

√This accelerated section starts later than others.

Please be advised that low enrollment class sections may be cancelled.
You will be contacted by Student Services with information on other class sections available in alternate formats.

For the most up-to-date course listing, go to the Northwood Tech homepage and click on 'Find a Class'
