Course repeat policies exist that allow for only a certain number of retakes within the program (for technical studies/core courses); please refer to the policies for details.

Please be advised that low enrollment class sections may be cancelled. You will be contacted by Student Services with information on other class sections available in alternate formats.

NORTHWOOD TECH GENERAL STUDIES COURSE OPTIONS FOR NORTHWOOD TECH ASSOCIATE DEGREE PROGRAMS

Co-enrollment in 99831900 Writing Essentials may be recommended in addition to English Composition 1.

Specific General Studies courses are scheduled as requirements for this program. If you have completed General Studies coursework at another Wisconsin technical college,

please refer to the Acceptable Transfer Course document at the following link (find your program) to see if your previous coursework will transfer

https://www.NorthwoodTech.edu/academic-programs/degree-programs-and-certificates/general-studies-courses/courses

If you have completed General Studies coursework at Northwood Tech in a prior term, the same options will apply for your program requirements.

GRADUATION REQUIREMENTS: Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a program's graduation requirements.

If you do not take courses in the recommended sequence above, it may delay your completion of graduation requirements.

You must earn a grade point of 2.0 or better in all required courses (technical studies/core and general studies)

EARN CREDIT FOR WHAT YOU ALREADY KNOW: Visit https://www.NorthwoodTech.edu/admissions/preparing-for-college/credit-for-prior-learning for more information

      The following sequence is recommended for Pre-Veterinary Technician plan students:

      Fall Term:

      10801136 English Composition 1

      10809198 Introduction to Psychology

      10806105 Principles of Animal Biology (prerequisite override required for Pre-Veterinary Technician students by Dean, Health Sciences)

      Spring Term:

      10801196 Oral/Interpersonal Communication

      10806197 Microbiology

      10809172 Introduction to Diversity Studies (other options available, however Introduction to Diversity Studies is the recommended course)
