∅This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

↗A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

∞Students must attend this course via Blue Jeans at the specified date and time

√A work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, and may vary in hours and length.

^Clinical classes appear on your schedule from 7:00am to 7:30am, but actual clinical times will be determined by your clinical location.

ΩClinical schedules are subject to change based on clinical agency or other scheduling availability, variations from the schedule will be communicated to students two weeks prior to the start of classes or when they occur.

→To meet the elective credit requirements for this program, you must complete associate degree level coursework, i.e., catalog numbers beginning with a 10 (with the exception of General College courses 10-831-103, 10-834-109, 10-835-103, and 10-838-104)

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
