◊This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

√A work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, and may vary in hours and length.

^Clinical classes appear on your schedule from 7:00am to 7:30am, but actual clinical times will be determined by your clinical location.

Ω Clinical schedules are subject to change based on clinical agency or other scheduling availability, variations from the schedule will be communicated to students two weeks prior to the start of classes or when they occur.

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
