GENERAL STUDIES: All courses noted with a * symbol are general studies courses and are offered in a variety of different formats. They could be fully online, in-person, or a combination of both.

Nursing Core Theory Courses:

[^]Courses are theory courses that are offered online. Exams will be Online Live, Thursday's from 6:00-8:00 pm.

[#]Courses have in-person lab component. Beginning Fall 2022, in person labs for part time AND students will be at the Health Education Center (Shell Lake).

Nursing Clinical Courses:

[#]All courses are clinical courses. Students will be placed in a day or evening clinical at a North or South location.

Clinical courses may be six to eight hour shifts. Clinicals may start as early as 6:00 AM for a day shift and 2:00 PM for an evening shift.

Clinical courses also require simulation, which beginning Fall 2022, will be in person at the Health Education Center (Shell Lake)

Semester Two - Long Term Care (Ash, RL, NR) or Critical Access Medical Surgical (Sup): This clinical will be the last five weeks of the semester. You will attend one week of onsite clinicals held on Tuesdays, Wednesdays, or Thursdays. The other weeks will be in class learning at the Health Education Center (HEC). Students will focus on physical assessment, therapeutic communication, and medication administration. Basic nursing skills will be performed. Clinical will be during the daytime hours.

Semester Three and Four - Long-Term Care (Ash, NR) or Critical Assess (RL, Sup): This clinical will be the the last five weeks of the semester. You will attend one week of onsite clinicals held on Tuesdays, Wednesdays, or Thursdays. The other weeks will be in class learning at the Health Education Center (HEC). Students will focus on physical assessment, therapeutic communication, medication administration and management of the nursing unit. Basic nursing skills will be performed. Clinical will be during the day or evening.

Clinical and Skills Labs will have on-site and/or campus requirements

Semester Six - Acute Clinical Care: This on site clinical will be 8 weeks and held on Wednesdays or Thursdays. Other time will be in simulation at the Health Education Center (HEC) and /or various clinical sites such as Behavioral Health or Wound Clinic.

Students will focus on complex health alterations of patients across the lifespan. Advanced nursing skills will be performed. Clinicals will be in the day or evening.

Semester Eight - Acute Clinical Care: This on site clinical will be 8 weeks and held on Tuesdays and Wednesdays. One to two days will be spent in simulation at the Health Education Center (HEC).

Students will continue their focus on complex health alterations of patients across the lifespan. Skills such as time management, delegation and management of the nursing unit will be practiced. Advanced nursing skills will be performed. Clinical will be in the day or evening.

Transitions: Four-week clinical: 80+ hour preceptor-led clinical that will be held at a variety of sites.

Students will be asked which sites they may be interested in completing this clinical. For this clinical, students will complete their hours during the hours the nurse preceptor is assigned. This could be days, evenings, nights or weekend hours and can be eight to 12-hour shifts.

Grade Requirements:

All courses in the ADN program (core nursing, science, general studies, prerequisites, and electives) must be completed with a grade of 2.0 or better including 10806177 General Anatomy & Physiology and 10806179 Advanced Anatomy & Physiology.

For all 10543XXX courses, course repeat and failure policies exist within the ADN Program that allows for only a certain number of retakes and failures of these classes, please refer to these for details.

Financial Aid Information:

Students who complete all general education courses prior to starting the ADN Part-time program will have difficulties with financial aid eligibility. Financial aid requires that students enroll in at least six credits. If you have completed or will complete all general education courses prior to starting, please make sure to meet with your advisor to discuss your options.

Please be advised that low enrollment class sections may be canceled. You will be contacted by Student Services with information on other class sections available in alternate formats

NORTHWOOD TECH GENERAL STUDIES COURSE OPTIONS FOR NORTHWOOD TECH ASSOCIATE DEGREE PROGRAMS:

Co-enrollment in 99831900 Writing Essentials may be recommended in addition to English Composition 1.

Specific General Studies courses are scheduled as requirements for this program. If you have completed General Studies coursework at another Wisconsin technical college, please refer to the Acceptable Transfer Course document at the following link (find your program) to see if your previous coursework will transfer:

[Acceptable Transfer Courses](#)

If you have completed General Studies coursework at Northwood Tech in a prior term, the same options will apply for your program requirements.

ELECTIVE REQUIREMENTS: To meet the elective credit requirements for this program, you will be required to take associate degree level coursework, i.e., catalog numbers beginning with a 10 (with the exception of General College courses 10831103, 10834109, 10835103, and 10838104).

GRADUATION REQUIREMENTS: *Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a program's graduation requirements. If you do not take courses in the recommended sequence above, it may delay your completion of graduation requirements. A program plan GPA of 2.0 in a 4.0 grade system is required to graduate.*

A grade point of 2.0 or better is needed in all required courses.
