●Online course delivery requires you have access to a computer and the internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Technical College go to https://learningcommons.northwoodtech.edu/resources. You are expected to engage in interactive assignments throughout the week and you will be asked to record speeches in front of a live audience for this class.

« This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. You will need to regularly engage in the course throughout the week, with interactive assignments (such as a midweek discussion). You will also be expected to collaborate with classmates as part of a group project. Online students will need a webcam and a reliable audio recording device.

Please be advised that low-enrollment class sections may be canceled.
For the most up-to-date course listing, go to the Northwood Tech Homepage and click on 'Find a Class'
