\*Online classes appear on your schedule from 7:00 to 7:30 a.m., but you are not required to log in at that time. Actual class participation is determined by you based on your schedule or as communicated by your instructor.

↗This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

>A work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, may be paid or unpaid, and may vary in hours and length.

>∞Clinical classes appear on your schedule from 7:00am to 7:30am, but actual clinical times will be determined by your clinical location.

√Your Choice courses provide the flexibility of online with the advantage of access to live interaction with your instructor. In the Your Choice format, you may choose to attend classes On Site, Online Live, or completely Online. Classroom recordings from your instructor are made available for convenient, online viewing. There are deadlines for assignments & class collaboration, and student/teacher interactions are determined by you and your individual instructor.

∞This accelerated section starts later than others.

Please be advised that low enrollment class sections may be canceled.
