*This course will use web conferencing to deliver content. There will be real-time instruction on the days/times listed for the class. Attendance during these times is optional as course content can be completed online as well.

† Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities.

While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor.

For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>.

* Textbooks are required for this class.

† Clinical classes appear on your schedule from 7:00am to 7:30am, but actual clinical times will be determined by your clinical location.

Please be advised that low-enrollment class sections may be canceled.
