« This course will be delivered virtually using web conferencing in real-time on the days and times scheduled. Attendance is expected during designated class hours by logging into your course remotely. Students will not be on campus to attend this course.

\*This class requires a specified amount of time online in addition to regularly scheduled face-to-face classroom hours. Actual online class participation is determined by you based on your schedule or as communicated by your instructor.

Δ Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>

● A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

Please be advised that low-enrollment class sections may be canceled.
