ΔA combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

ΩThis course will be delivered virtually using web conferencing in real-time on the days and times scheduled. Attendance is expected during designated class hours by logging into your course remotely. Students will not be on campus to attend this course.

√In addition to regularly scheduled classroom hours, this class also requires time Online. You will need to determine how to best schedule your online time.

*Plus 2 hours online

●Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>

◊This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

@This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. If you are taking the course online, you are expected to regularly engage in the course throughout the week, with interactive assignments (such as midweek discussions).

Please be advised that low enrollment class sections may be canceled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
