QA combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

#This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

ΔAn internship class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Internship is supervised by an instructor, may be paid or unpaid, and may vary in hours and length. Please contact your instructor to schedule specific days and times.

!Clinical classes appear on your schedule from 7:00am to 7:30am, but actual clinical times will be determined by your clinical location.

&Instructor will send an invite to students to meet via Teams on 4/16 and 4/30.

%Fridays will serve as days for community based learning activities and specialty rotations.

∞This course will be delivered virtually using web conferencing in real-time on the days and times scheduled. Attendance is expected during designated class hours by logging into your course remotely. Students will not be on campus to attend this course.

^In addition to regularly scheduled classroom hours, this class also requires time Online. You will need to determine how to best schedule your online time.

*Online course delivery requires you have access to a computer and the internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Technical College go to <https://learningcommons.witc.edu/resources>. You are expected to engage in interactive assignments throughout the week and you will be asked to record speeches in front of a live audience for this class.

⌚This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. You will need to regularly engage in the course throughout the week, with interactive assignments (such as a midweek discussion). You will also be expected to collaborate with classmates as part of a group project. Online students will need a webcam and a reliable audio recording device.

«STUDENTS NEED ACCESS TO HARDWARE AND SOFTWARE TO RECORD AND UPLOAD AUDIO AND VIDEO. A LIVE AUDIENCE MAY BE REQUIRED FOR SOME PRESENTATIONS

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
