*This class requires a specified amount of time online in addition to regularly scheduled face-to-face classroom hours. Actual online class participation is determined by you based on your schedule or as communicated by your instructor.

« This course will be delivered virtually using web conferencing in real-time on the days and times scheduled. Attendance is expected during designated class hours by logging into your course remotely. Students will not be on campus to attend this course.

Δ Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to https://learningcommons.northwoodtech.edu/resources

●This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. If you are taking the course online, you are expected to regularly engage in the course throughout the week, with interactive assignments (such as midweek discussions).

Please be advised that low enrollment class sections may be canceled.
