∇This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

ΩA combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

∞This course is for Medical Laboratory Technician students

•Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>

√This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. If you are taking the course online, you are expected to regularly engage in the course throughout the week, with interactive assignments (such as midweek discussions).

Please be advised that low enrollment class sections may be canceled.
