√This class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

∞This course will be delivered virtually using web conferencing in real-time on the days and times scheduled. Attendance is expected during designated class hours by logging into your course remotely. Students will not be on campus to attend this course.

! Students will be auto enrolled in this section based on the specific clinical section selected.

Q A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

ØA work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, may be paid or unpaid, and may vary in hours and length.

→Clinical classes appear on your schedule from 7:00 a.m. to 7:00 p.m., but actual clinical times will be determined by your clinical location.

●Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>

Please be advised that low enrollment class sections may be canceled.
