\*Total hours represents periods of instruction and/or work-based learning hours per semester (class hours). Additional time may be required outside of class to complete assignments. For more details on what you can expect outside of class, please see the “Expectations Outside of the Classroom” section of the Student Handbook.

Please be advised that low enrollment class sections may be canceled. You will be contacted by Student Services with information on other class sections available in alternate formats.

**Graduation Requirements:** Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a certificate’s completion requirements. A program plan GPA of 2.0 in a 4.0 grade system is required to graduate. A grade point of 2.0 or better is needed in all required courses.
