10098114	Veterinary Technician Clinical Internship 3 Prerequisite: 10098110 Veterinary Technician Clinical Internship 1	32 hours per week	4 credits		Veterinary Technician		
	<b>Summer Term Total</b>			2 Credits Veterinary Assistant	6 Credits Veterinary Technician		
	<b>Total Credits</b>			<b>32 Credits</b> Veterinary Assistant	<b>65 Credits</b> Veterinary Technician		

\*Hours per week represents periods of instruction and/or work-based learning hours per week (class hours). Additional time may be required outside of class to complete assignments. For more details on what you can expect outside of class, please see the "Expectations Outside of the Classroom" section of the Student Handbook.

**Course repeat policies exist that allow for only a certain number of retakes within the program (for technical studies/core courses); please refer to the policies for details.**

Please be advised that low-enrollment class sections may be canceled. You will be contacted by Student Services with information on other class sections available in alternate formats.

### **Northwood Tech General Education Course Options for Northwood Tech Associate Degree Programs**

Co-enrollment in 99831900 Writing Essentials may be recommended in addition to English Composition 1.

Specific General Education courses are scheduled as requirements for this program. If you have completed General Education coursework at another Wisconsin technical college, please refer to the Acceptable Transfer Course document at the following link (find your program) to see if your previous coursework will transfer

[Acceptable Transfer Courses](#)

If you have completed General Education coursework at Northwood Tech in a prior term, the same options will apply for your program requirements. Pending Dean approval, technical diploma coursework (i.e. catalog number beginning with 30, 31, or 32) may also be allowed to meet General Education requirements. **Note:** Technical diploma level coursework may not transfer to a baccalaureate program.<sup>^</sup>

**Graduation Requirements:** *Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a program's graduation requirements.*

*If you do not take courses in the recommended sequence above, it may delay your completion of graduation requirements.*

You must earn a grade point of 2.0 or better in all required courses (program courses and general education)

### ***Earn credit for what you already know:***

[Visit Credit for Prior Learning for more information](#)

The following sequence is recommended if you'd like to start with the general education courses:

#### **Fall Term:**

10801136 English Composition 1

10809198 Introduction to Psychology

10806105 Principles of Animal Biology (prerequisite override required for Pre-Veterinary Technician students by Dean, Skilled Trades)

#### **Spring Term:**

10801196 Oral/Interpersonal Communication OR 10801198 Speech

10806197 Microbiology

10809172 Introduction to Diversity Studies (other options available, however Introduction to Diversity Studies is the recommended course)
