↗A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

≠In addition to regularly scheduled classroom hours, this class also requires time Online. You will need to determine how to best schedule your online time.

ΩThis class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

!This course is for Medical Laboratory Technician students.

•Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>

◇Online classes appear on your schedule from 7:00-7:30am, but you are not required to log in at that time. Actual class participation is determined by you based on your schedule or as communicated by your instructor."

√A work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, and may vary in hours and length.

Please be advised that low enrollment class sections may be canceled.
