Background Check Disclosure

Northwood Technical College students accepted into this program are required to have Caregiver Background and/or Criminal History checks at the state and/or national levels. These checks are run after the student has been admitted into their program and before the start of specific coursework or entering clinical agencies. Results from these checks for students admitted to these programs may:

- Prevent enrollment, participation, and/or admission in coursework required for graduation
- Affect ability to secure employment in the field of study upon graduation

Fees will be charged to run these background checks and are the student's responsibility. Costs found on Northwood Tech's website at: www.NorthwoodTech.edu/finance/tuition.htm

Pharmacy Technician -

Pharmacy Technician students are required to attend one clinical course: Pharmacy Clinical for a total of 64 hours. A Wisconsin caregiver background check and national caregiver criminal background check are run on Pharmacy Technician students prior to the clinical placement. The Pharmacy Technician Program Faculty will continue to attempt placement for the Pharmacy Technician student until the Program Faculty receives three negative responses from three different potential pharmacies. Once three different potential pharmacies have declined a Pharmacy Technician student on the basis of the results of his/her background check, the Program Faculty will cease to pursue placement for that student. It is the prerogative of the pharmacy to refuse to allow a student to complete clinical experiences at their facility based on background check information. Inability to complete clinical courses based on background discrepancies may result in dismissal from the program, since course competencies cannot be met.
