## 7. ALTERNATE PROPOSALS

Specifications contained in this RFP are intended to define the level of quality and performance and not to restrict competition. Vendors offering alternates shall submit, with their proposal, an itemized comparison to the RFP specification, documenting equivalence for dimensions, quality performance, etc. **Unless indicated otherwise,** Vendors may offer more than one alternate with required supporting documentation. Where certain brands or part numbers are specified, it is for illustration or to establish a standard for features and construction. **Unless indicated otherwise,** "or equivalents" are acceptable and allowed, and Vendors are encouraged to offer varying brands of "equivalent" items and supplies for Northwood Technical College's consideration.

## 8. DEVIATIONS FROM PROPOSAL SPECIFICATIONS

Any deviations from proposal item specifications must be clearly documented on the Qualified Vendor Certification Form. Northwood Technical College reserves the right to determine if any noted deviations or qualifying statements indicated in a Proposal are in the best interest of the college, and reserves the option to reject any proposal(s), all proposals, or a portion of a proposal(s), on that basis.

**9. RIGHT TO AWARD ALL OR A PORTION**

While Vendors are encouraged to quote as many or all of the items listed in this RFP, it is understood that not all items may be available from one Vendor source. Northwood Technical College will have the option to make “split awards” of the items to multiple Vendors or to award to multiple Vendors if it is determined in the best interest of the College. Vendors need to quote prices on a line item basis with the understanding that Northwood Technical College may only order partial items of what the Vendor quoted. If the Vendor can offer additionally discounted prices on the premise that it will receive the entire award, or an award of a select “family” of items, the Vendor should enumerate such additional pricing discount options for Northwood Technical College’s consideration on a separate page attached to their proposal response.

**10. WITHDRAWAL OF PROPOSALS**

Proposals may be withdrawn by written request received from the Vendor or an authorized representative thereof prior to the time fixed for opening of proposals, without prejudice to the right of the Vendor to file a new proposal. Withdrawn proposals will be returned unopened. Negligence on the part of the Vendor in preparing their proposal confers no right for withdrawal of the proposal after it has been opened.

Proposals may be held by Northwood Technical College for a period not to exceed ninety (90) days from the date of the opening of proposals for the purpose of reviewing the proposals and investigating the qualifications of the Vendors, prior to the awarding of the contract.

**11. ACCEPTANCE/REJECTION**

Northwood Technical College reserves the right to accept or reject any or all proposals, to waive any technicality or informality in any proposal submitted, and to accept any part of a proposal deemed to best serve the interests and needs of Northwood Technical College and said determination shall be final.

Northwood Technical College reserves the right to reject all proposals received and reissue the RFP if it is determined an adequate level of competition was not obtained, or if the specifications/terms did not allow for a sufficient level of competing proposals to be received, or if desired specifications, features, or standards were not, in the opinion of Northwood Technical College, acceptable.

Northwood Technical College reserves the right to reject a proposal if the evidence submitted by, or investigation of, the Vendor fails to satisfy Northwood Technical College that the Vendor is responsible and qualified to carry out the obligations of the contract or to complete the Statement of Work.

**12. FIRM PROPOSALS**

All proposals are to be firm for acceptance for a minimum of (90) days from opening and for the specified contract period. Any exception shall be fully noted. The purchase of the item(s) in this RFP is contingent on budget availability. The college may elect to not proceed with this project, or delay the project, or modify the conditions for this project, if so considered to be in the best interest of the college.

**13. LIABILITY**

Northwood Technical College shall not incur any liability for any cost the vendor may have incurred in preparing and submitting a proposal in response to this RFP.

**14. PAYMENT AND DELIVERY TERMS**

Net 30 days after product delivery and receipt of invoice. In most cases, advance payments will not be made, and no payments will be made without invoices. Northwood Technical College prefers to pay by Visa, if accepted. All proposed items or services are to be delivered tax exempt, FOB Destination – delivered and installed with freight cost included in the price or otherwise quoted on the Northwood Technical College Qualified Vendor Certification Form (if applicable). For this RFP, we understand a down payment will be necessary as well as other payments based on percent of completion of this project.

**15. TAXES**

Northwood Technical College is a governmental entity exempt from sales taxes pursuant to Wisconsin Statutes, Section 77.54(9a). Taxes should be excluded in proposals to Northwood Technical College.

## 16. EVALUATION PROCEDURE, SCORING, AND EVALUATION POINTS

Northwood Technical College evaluates proposals submitted in response to RFP's based on "best value" to the college using a formal process involving an evaluation committee led by Northwood Technical College employees. The Purchasing Department oversees the evaluation process to ensure it is objective and scoring is based on the requirements communicated to the Vendors in the RFP. Northwood Technical College shall be the sole judge in the subjective matters of a Vendor's capability, experience, references, etc. as to what best meets the unique needs of Northwood Technical College. Unless a Vendor can cite a specific statute or administrative code being violated, the subjective judgement or scoring by the Northwood Technical College evaluators is not appealable.

## 17. EVALUATION CRITERIA

The Northwood Staff Member Evaluation Team will evaluate and rank the written RFP responses that best meet Northwood's needs based on the following criteria and point allocation factors. The award will be based on a point system and awarded to the proposer with the highest points. The maximum possible points will be one hundred (100) points.

Scoring of the written responses will be done using the scoring matrix below:

Criteria	Description	Points Possible
1	<b>Vendor Pricing</b> -See Section V <ul style="list-style-type: none"><li>The Vendor Pricing Form (Section V) must be filled out in its entirety. The points for pricing will be awarded based on the Ratio Method. With this method, the proposal with the lowest cost receives the maximum points allowed. The following demonstrates how price points are calculated under the Ratio Method:<ul style="list-style-type: none"><li><u>Example:</u> The cost for the lowest proposal is \$100,000. The next lowest proposal has a cost of \$125,000. If the total points available for the cost criteria = 30 points, the next lowest proposal would be assigned 24 points <math>(\\$100,000/\\$125,000) \times 30 \text{ pts}</math></li></ul></li></ul>	30

## 18. VENDOR PRESENTATIONS/MEETINGS

Upon receipt of all proposals meeting the conditions outlined in this RFP and arriving by the specified due date and time, Northwood Technical College reserves the option to meet with a select group (not all) of Vendors that it considers to be in the best interest of Northwood Technical College, to do presentations or clarify details of their proposals to Northwood Technical College staff. If an oral presentation/interview is required of selected finalists, it

shall be at the Vendors' expense. However, an award may be made without discussion with the Vendors. Therefore, Vendors are cautioned that proposals should be submitted initially on the most favorable terms, from both a technical and cost standpoint. Unnecessarily elaborate brochures or other presentations beyond that required to present a complete and effective proposal are not desired.

**19. BEST AND FINAL OFFER**

At its sole discretion, Northwood Technical College may request Vendors to submit a Best and Final Offer (BAFO) for further clarification. BAFOs will be evaluated against criteria identified in #17 "Evaluation Criteria". There is no obligation on the part of Northwood Technical College to request a BAFO. Therefore, Vendors should always submit their best proposal with their original submission.

**20. WARRANTY**

Northwood Technical College requires the Vendor, not the manufacturer, to coordinate and resolve all issues with regard to the warranty of items. Northwood Technical College will not contact the manufacturer.

**21. REFERENCES**

Northwood Technical College may assign evaluation points based on comments and reviews of the Vendor's product and/or services as provided by references.

**22. RIGHT TO ADDENDUMS**

Factors that may be considered in determining if a Vendor is qualified include (but are not limited to): Vendor competency, financial capacity, ability to render satisfactory product/work and past performance. Northwood Technical College reserves the right to request additional information to make this determination. Northwood Technical College may make a written request for Vendor's P&L, Balance Sheet, Certified Auditor Statements or other financial documents for purposes of evaluation of the financial ability of Vendors to provide the materials, service and/or support specified by this RFP. Northwood Technical College reserves the right to request a site visit to Vendor prior to award.

**24. DEBARMENT & SUSPENSION CERTIFICATION**

The Vendor certifies by signing the Qualified Vendor Certification Form that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or state department or Vendor.

Neither party shall assign a right or interest, not delegate, or subcontract any obligation owed without the written consent of the other.

**26. PUBLIC INSPECTIONS AND RECORD OF PROPOSALS**

In order to maintain the integrity of the competitive proposal process, if a request is made under open records laws to view proposals received for this RFP, proposals received will not be made available until an official award decision by Northwood Technical College has been made.

Northwood Technical College cannot ensure that information will not be subject to release if a request is made under applicable public records law. The redacted copy will be open to public inspection under the Freedom of Information Act (FOIA) without further notice to the Vendor.

If you do not send a redacted copy, your entire proposal will be open to public inspection with the exception of financial data (other than pricing). Redacted versions must be submitted adhering to the following:

- a) One (1) electronic file or document EXCLUDING all confidential and proprietary information/documents in Adobe Acrobat 9.0 or greater format. This file must be labeled "[Vendor Name] REDACTED RFP RESPONSE [RFP #]." This is the file that will be submitted to requestors for open records requests. The Vendor should be aware that Northwood Technical College may need to electronically send the redacted materials to members of the public or Vendors when responding appropriately to records requests. Northwood Technical College is not responsible for checking that redactions, when viewed on-screen via electronic file, cannot be thwarted. Northwood Technical College is not responsible for responding to records requests via printed hard copy, even if redactions are only effective on printed hard copy. Northwood Technical College is not responsible if the redacted file the Vendor provides does not adequately protect the information when the redacted file is copied and pasted, uploaded, emailed, and/or transferred via any electronics means.

Proprietary information submitted will be handled in accordance with appropriate procurement regulations and Wisconsin Public Records law. Note: The Wisconsin Public Records law classifies most correspondence with a governmental entity such as Northwood Technical College and member Colleges, as open and available for public inspection. Proprietary restrictions normally are not accepted; however, when accepted it is the Vendor's responsibility to defend the determination in the event of an appeal or litigation.

## **27. RIGHT TO NEGOTIATE CONTRACT TERMS & CANCELLATION CLAUSE**

Northwood Technical College reserves the right to negotiate the terms of the contract, including the award amount, with the selected Vendor prior to entering into a contract. If contract negotiations cannot be concluded successfully with the lowest proposal Vendor, Northwood Technical College may negotiate a contract with the next lowest proposal Vendor. This choice is solely at the discretion of the College.

Northwood Technical College may, without cause, terminate the Contract by giving written notice of such termination to the awarded Vendor. In the event of such termination, Northwood Technical College shall reimburse the services performed and reasonable expenses actually incurred by the Vendor in relation to the work prior to the Vendor's receipt of such notice of termination.

- Provide demonstrated results in improving student course success retention rates, particularly in the first semester of the program.
- Provide robust support in foundational nursing knowledge, including math for nurses, medical terminology, and anatomy & physiology.
- Integrate resources and strategies to bolster student mental health and resilience, encompassing areas like stress management, effective study skills, and test-taking proficiency.
- Seamlessly integrate with Northwood Tech's existing nursing curriculum.

Furthermore, the program should reduce the faculty's remediation burden by providing real-time data and insights into student progress and engagement. ## SECTION IX – COOPERATIVE PURCHASING AGREEMENT – Optional

Wisconsin statutes establish authority to allow Wisconsin municipalities to participate in cooperative purchasing when the contractors agree to extend their terms to them. Participating in the service gives vendors opportunities for additional sales without additional bidding. Please be aware that your participation is voluntary. Municipalities use the service to expedite purchases. A "municipality" is defined as any county, city, village, town, school district, board of school directors, sewer district, drainage district, vocational, technical and adult education district, or any other public body having the authority to award public contracts (s. 16.70(8), Wis. Stats.).

Interested municipalities will contact the contractor directly to place orders and are responsible for receipt, acceptance and inspection of goods directly from the contractor, and making payment directly to the contractor. Northwood Technical College in serving as the lead agency initiating this cooperative purchasing program on behalf of other Municipalities, is not party to any disputes arising from purchases made by other municipalities, and is not liable for delivery or payment purchases made by other municipalities.

\_\_\_\_ % Discount if a second item/system is purchased or a second public agency purchases from the awarded contract.
