Background Check Disclosure

Northwood Technical College students accepted into this program are required to have Criminal History checks at the state and/or national levels and fingerprinting.

- For non-sponsored students, this will be completed following the submission of the DOJ Pre-Service or CT Academy Student Application.
- For sponsored students, this will be completed as part of the pre-employment check with the employer.

Results from these checks may limit the ability of the students to enter the program. In addition, it could prevent my participation in coursework required for graduation and/or affect my ability to secure employment in my field of study upon graduation.

Students may be charged a fee to run the background check. This fee will be determined in coordination with the Department of Justice (DOJ).
