

## Requirements for Fieldwork

### Placement Requirements

- Students are required to provide:
  - proof of current Mantoux test
  - documentation of Hepatitis vaccination
  - documentation of immunization records
  - current BLS/CPR documentation
- Students must have a background check for the state where fieldwork is occurring.
- Health Insurance may be required by some fieldwork sites. Northwood Technical College does not provide health insurance to students. Students are advised to carry their own health insurance.
- Students may be required (based on fieldwork site requirements) to attain any specific requirements and/or training before attending fieldwork. The student is responsible for the cost of any requirements.
- Students may not work in the setting where fieldwork is completed.
