COMPUTERS & TECHNOLOGY

Office Productivity

Computer Skills for the Workplace

Most jobs today require a working knowledge of certain computer skills. Employers seek and reward employees who can effectively send emails, create spreadsheets, manage databases, understand memory and network limitations, and recognize the function and features of modern computer components. Any job candidate who already possesses these skills will stand above those who do not. BLS Basic Life Support

47-531-437

The BLS Basic Life Support Course is designed to teach the skills of CPR for victims of all ages including ventilation with a barrier device and use of an automated external defibrillator (AED), and relief of foreign-body airway obstruction (FBAO). It is intended for participants who provide health care to patients in a hospital setting and out-of-hospital settings. This course is for anyone that is required to take a health care provider course for employment. All participants who successfully complete the course, including the written examination and skill demonstrations will receive a BLS Basic Life Support provider completion card that will certify them for two years (credential.) Book provided at class.

TRANSPORTATION**Commercial Driving****CDL Class B 1**

47-458-407

Professional drivers are responsible for the safe and efficient delivery of goods. This course will prepare you for that through a driving simulator and behind-the-wheel activities. The course includes an introduction to the industry, vehicle inspections and systems overview, safe driving techniques, cargo documentation and employer/employee relations. The Class B license does not allow a driver to operate tractor-trailers or other combination vehicles. A student must have their Class B permit before starting this course.

Court Mandated Driving

Traffic Safety for Point Reduction

42-812-404

In this course, participants will review their driving habits, traffic laws, and penalties, with an emphasis on responsible driving. The class will guide students in creating a plan to reduce their risk of traffic violations and crashes. Successful completion may qualify for a three-point reduction on your driving record and satisfies the requirement for those with a "Failure to Yield Right of Way" violation.

Motorcycle

3-Wheel Basic Rider Course

42-816-404

The MSF 3-Wheel Basic Rider Course (3WBRC) is a basic, entry-level, learn-to-ride 3-wheel motorcycle (3WMC) training and education course. It provides fundamental skills similar to the MSF Basic Rider Course but on 3-wheel, 3-track motorcycles (not motorcycles with a sidecar or car-based motorcycles). 3WBRC Rider Coaches who have been trained and certified by the MSF conduct the 3WBRC. Motorcycle - Basic Rider 2

42-816-401

The Basic Rider Course-2 (BRC2) is a one-day (8 hour) class for riders who have their own motorcycle, have been riding for one to three years, and have accumulated 3000 to 5000 miles on their current motorcycle. If a rider does not as yet have their Wisconsin Class M Endorsement, they may still participate on a Wisconsin motorcycle Instructional Permit. This course also serves as a license skills test waiver in Wisconsin. For pre-class instructions and registration, visit bit.ly/northwoodtech_motorcyclesafety

REGISTRATION POLICIES

Nondiscrimination Notice

Northwood Technical College does not discriminate on the basis of race, color, ancestry, religion, sex, service in the uniformed services, veteran status, national origin, age, disability, sexual orientation, marital or family status, pregnancy, pregnancy-related conditions or status in any group protected by state or local law in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Amanda Gohde, AA/EEO Officer/Title IX Coordinator/Associate Vice President of Talent and Culture. 1900 College Drive Rice Lake, WI 54868, 715.645.7042. Wisconsin Relay System TTY:711. Amanda.Gohde@NorthwoodTech.edu

Accommodations for Persons With Disabilities

Reasonable accommodations for persons with disabilities will be made to ensure access to academic programs, activities, services and employment in accordance with 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act of 1990 and the Americans with Disabilities Act (ADA) Amendments Act of 2008. If accommodations are needed, the student should contact the campus Accommodations Specialist or Amanda Gohde, A/EEO Officer/Title IX Coordinator/Associate Vice President of Talent & Culture at 715.645.7042, 30 days in advance of needed assistance.

Senior Fees

Northwood Technical College has implemented a waiver for students ages 62 plus. This waiver is for personal enrichment courses only (the catalog number begins with 60) and provides up to a 40% discount. (Amount varies based on material fees.) Students age must be 62 plus at the start of the term. Students ages 62 plus who are enrolled in professional courses (catalog number begins with 42 or 47) are still exempt from program fees under State Statute 38.24 (1)(b) and only required to pay material fees, which is approximately \$5 for many courses.

KEEP ON TRUCKIN' Truck Driving | Class B | CDL Permit Prep

Take the wheel! There's a high demand for professional truck drivers. Northwood Tech can help you earn your commercial driver's license. Professional truck drivers are responsible for the safe, efficient delivery of goods between locations. Spend time behind the wheel learning how to maneuver trucks in a variety of real-world scenarios. You will develop backing and driving skills through classroom, lab, range and roadway experiences.
