

# Emergency Services Conference

## SPONSORSHIP OVERVIEW

April 12-13, 2024 | Northwood Tech, Rice Lake Campus

Plans are underway for the 2024 Emergency Services Conference, where we will welcome first responders from across Northwest Wisconsin to our Rice Lake campus for cutting-edge fire and EMS training. We would like you to be involved!

Our goal is to provide a high quality conference at a reasonable cost for attendees. To make this a reality, we hope you will consider being a conference sponsor. Your donation will offset expenses for speaker fees and food costs, which keeps the registration fees affordable for attendees.

The trade show will provide interactive networking opportunities that are also efficient use of your staff time.

### Details and benefits of being a conference supporter:

#### Gold Sponsor | \$500

- Booth space with table in a prime location
- Logo and web address on event web page
