

Fall 25
Medical Coding Specialist Text List

PLEASE NOTE: Prices listed are approximate costs and are subject to change.

- Book editions are frequently updated. If completing the program part time (or if you have to repeat a course), it is possible that you may have to purchase more than one edition throughout the duration of the program.
- A few books listed will be used for several courses throughout the program. Do not choose the book rental option for books listed below at the eCampus bookstore:
 - **Health Information Management Technology: An Applied Approach** should be kept for the duration of the program
 - **Health Information Management Case Studies** should be kept for the duration of the program.
 - Code set books used in CPT Coding, ICD Procedure Coding and ICD Diagnosis Coding should be kept for Intermediate Coding:
 - **CPT Professional Edition** (previous year's version also allowed)
 - **ICD-10-CM Code Book** (previous year's version also allowed)
 - **ICD-10-PCS Code Book** (previous year's version also allowed)
 - **Certified Coding Specialist (CCS) Exam Prep** should be kept until you complete your coding certification exam
