

Northwood Technical College

Amy Guerin
Leadership
Development &
WCD Instructor

With more than 20 years of leadership experience in the

hospitality industry, Amy brings real world insight to the classroom. Amy holds a Master of Arts in Leadership and an MBA with a Leadership concentration from Augsburg University, as well as a Bachelor of Science in Hospitality & Tourism from UW-Stout. Amy's background also includes serving as a project director for Gradient Financial Group. Amy is now focused on teaching leadership and development and dedicated to helping people connect theory with practice and build skills for successful careers. Outside of work, Amy enjoys traveling, watching sports, and spending time with family and rescue dog, Winnie.

Leadership Training

Unlock your potential to inspire, influence, and lead

Leadership 101

This interactive workshop is designed to provide emerging leaders with the foundational skills and tools to develop a leadership style that motivates and empowers teams. Through practical exercises, real-world examples, and collaborative discussions, you'll learn essential techniques in communication, decision-making, and emotional intelligence. Whether you're stepping into a leadership role for the first time or looking to refresh your skills, this workshop will equip you with the insights to lead with impact and foster a culture of trust and collaboration.

Date:

➤ August 12, 2025 | 9 a.m. - 12 p.m.
1019 S. Knowles Ave., New Richmond, WI

Registration Fee:

\$40

Leadership 201

This workshop takes your leadership skills to the next level by exploring the complex dynamics that drive high-performing teams and effective decision-making. Through discussions and group activities this workshop goes beyond foundational principles to focus on critical areas like Conflict Resolution, where you'll learn to navigate disagreements with confidence, turning tension into opportunities for growth and innovation. You'll also expand your understanding of Emotional Intelligence, sharpening your ability to read a room, respond with empathy, and build trust across diverse teams.
