☒ New Agreement

☐ Revised Agreement

Agreement Description and Rationale:

This articulation agreement establishes a cooperative relationship between the University of Wisconsin-Whitewater (UW-W) and the Wisconsin Technical College System (WTCS) effective for students starting the Bachelor of Science-Health and Leadership Studies, in or after the fall 2025 term, which will assist both schools to better serve the educational needs of transfer students.

This Agreement and any amendments and supplements, shall be interpreted pursuant to the guidelines set forth in the University of Wisconsin System Administrative Policy 140, Guidelines for Articulation Agreements between UW System Institutions and WTCS Districts as well as Administrative Policy 135 Undergraduate Transfer Policy. Both institutions agree to maintain accreditation by the Higher Learning Commission and any other accreditation currently in existence pertaining to degree programs articulated via the transfer agreement.

1. Articulation Agreement Terms

This program-to-program articulation agreement between UW-W and WTCS assures the acceptance of an applied associate degree in an allied health clinical and diagnostic field (see APPENDIX A, 60 to 71 credits) from any WTCS institution, into the UW-W Bachelor of Science-Health and Leadership Studies (HeALS) program (minimum 120 credits).

1.1 Students transferring under the guidelines of this articulation agreement must:

- a. have earned an applied associate degree in an allied health program through WTCS with a grade point average of 2.0 or better (on a 4.0 scale) including coursework from other institutions (if appropriate), and according to UW-W [repeat policy](#).
- b. have applied to and are successfully admitted into UW-W (all UW-W application deadlines apply) beginning fall 2025 and any subsequent terms.

1.2 Students must declare the B.S. Health and Leadership Studies at time of admission/upon transfer to UW-W.

- a. program will be offered in multiple modalities (online and face to face).

3. University/General Education Requirements

- 3.1 The UW-W baccalaureate candidate must meet UW-W's [general education and graduation requirements](#).
- 3.2 The UW-W baccalaureate candidate must meet the [B.S. requirements](#) for the College of Letters and Sciences.
- 3.3 Elective courses taken or substituted at the sending institution and sending program not listed in this agreement will be reviewed on a case-by-case basis and determined how they may apply to the degree at the receiving institution.
 - 3.3.1 Entering students may apply general education credits toward satisfying UW-W general education requirements as specified in [Transferology](#).
- 3.4 Regardless of major, a minimum of 25% of the major course units and 25% of the minor course units must be completed at UW-W.
- 3.5 A minimum of 30 units of UW-W coursework is required to qualify for an undergraduate degree. At least 15 of these 30 units must be taken at UW-W immediately prior to graduation.
- 3.6 The maximum number of credits that can be transferred from all two-year transfer institutions to UW-W is 72.

4. Additional Conditions

- 4.1 Program-to-program transfer courses/credits are accepted only for the program specified in this agreement. A change of major or minor invalidates these courses/credits for transfer unless they are approved within some other program-to-program articulation agreement for a different major/minor at UW-W.
- 4.2 Course equivalencies specified in this articulation agreement are subject to change in the event that the course curricula of relevant programs at Wisconsin Technical College System or at UW-Whitewater undergo revision.
- 4.3 This Articulation Agreement is effective 3/2025 and shall remain in effect for three years, unless terminated or amended by either party with 90 days prior written notice.
- 4.4 UW-W and WTCS agree to assist each other in appropriately promoting this agreement in their respective marketing materials, events, websites, and reports.
- 4.5 Transfer guides will be available upon request for each of the WTCS institutions. Included in this document are transfer guides created for Madison College-eligible programs as the sponsoring WTCS institution. These guides outline how credits from the eligible Applied Associate Degrees will transfer to UWW and list the remaining courses required to complete the Bachelor of Science-Health and Leadership Studies (HeALS) program.
