

NORTHWOOD TECHNICAL COLLEGE 31-509-1 Medical Assistant (MA) Background Check Disclosure

Northwood Technical College students accepted into this program are required to have Caregiver Background and/or Criminal History checks at the state and/or national levels. These checks are run after the student has been admitted into their program and before the start of specific coursework or entering clinical agencies. Results from these checks for students admitted to these programs may:

- Prevent enrollment, participation, and/or admission in coursework required for graduation
- Affect ability to secure employment in the field of study upon graduation

Fees will be charged to run these background checks and are the student's responsibility. Costs found on Northwood Tech's website at: www.NorthwoodTech.edu/finance/tuition.htm

Medical Assistant (MA) - MA students are required to complete a 6-week practicum toward the end of the program. Wisconsin Caregiver background checks will be run on students within the first month of the program start and again within 90 days of the start of the MA Practicum (January 1 for Ashland, New Richmond and Superior students, and August 1 for Rice Lake students). A national criminal background check will also be run for you within 90 days of starting the MA Practicum course. The campus Practicum Coordinator will continue to attempt placement for the MA student with a negative mark on his/her background check until the Practicum Coordinator receives three negative responses from three different potential practicum agencies. Once three different potential practicum agencies have declined a MA student on the basis of the results of his/her negative background check, the Program Coordinator will cease to pursue placement for that student. It is the prerogative of the practicum facility to refuse to allow a student to complete practicum experiences at their facility based on background check information. Inability to complete MA Practicum based on background discrepancies may result in dismissal from the program, since course competencies could not be met.
