

Admissions Requirements

Nearly all programs at WITC have no admission testing requirements.

If your program is not listed below, your next step is to schedule your admissions meeting. If you are applying to one of the programs below and don't exactly meet one of the requirements, don't worry. Our WITC counselors will discuss options with you at your meeting. Just bring along any transcripts you have and/or schedule a testing assessment prior to your admissions meeting, and we'll help you through your next steps.
