Northwood
Technical College

If you have completed previous credits that transfer into the more advanced program, your costs may be less. Please speak with Northwood Tech staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented.

**Wage and employment data is compiled from the 2019 -2020 Northwood Tech Graduate Follow-Up Report; data is not available for the Preschool Education Professional (The Registry Preschool Credential) Pathway Certificate. Child Care Basics wage data is an average of the entry level and mean wages, tied to the SOC code proposed for this program, for the Northwest Wisconsin and West Central Wisconsin Workforce Development Regions as taken from Wage Data from Wisconsin and Emsi. Education decisions should not be entirely based on the wage data presented as wages are subject to error and sampling bias. Some people may be hired at a lower or higher starting wage than what is reported here. Annual salaries, from both Wisconsin and Emsi, are based on a 40 hour work week over 52 weeks (2080 hours).
