Important Notes on Transferring:

- Check out NorthwoodTech.edu/transfer for details on specific agreements listed below
- The colleges listed above have developed an Associate Degree to Bachelor Degree Articulation Agreement with Northwood Tech
- + These colleges have developed an agreement directly related to the Early Childhood Education Program and/or similar programs such as Elementary Education and Human Development & Family Studies
- To learn how your education, or previous college credits, will transfer, talk to a transfer coordinator, at any of our four year colleges listed, to learn how to maximize your credit transfer opportunities
- Transferology, www.transferology.com, or Transfer Evaluation System (TES), may be helpful tools to assist your transfer process

If you have completed previous credits that transfer into the more advanced program, your costs may be less. Please speak with Northwood Tech staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented.
