

Wisconsin Indianhead Technical College Nursing-Associate Degree Program

Clinical Verification Form

The deadline for all clinical verifications is **July 1, 2021**. Verification of required immunizations **MUST** be official documentation (clinic/school records, lab reports, WIR website). Dates written on your health form will not be accepted as verification of immunizations.

This includes:

- Wisconsin Caregiver Background Check
- Minnesota Caregiver Background Check (if applicable)
- National Criminal Background Check
- CPR for Healthcare Providers Certification
- Completed Health Form with physical exam (due May 15, prior to the semester start of core nursing)
- Evidence of Mantoux
- TDAP (tetanus boosters are good for 10 years)
- Hepatitis B Vaccine
- MMR X 2 or Titers for rubeola, mumps, & rubella (1)
- Varicella titer or immunization must be provided. A verbal history of disease is no longer acceptable.

I, _____, understand that if I do not submit all of the above verifications on or before the due date of **July 1, 2021**, I will forfeit my position in the ADN program. If Student Passport rejects any of my documentation, I will have until **July 15, 2021**, to correct the problem and upload it to Student Passport's website. All corrected and updated documentation must be completed by the **July 15, 2021** deadline or I will forfeit my position in the ADN program. I will be dis-enrolled in all courses, my position will be given to the next fully verified person on the alternate list, and I will have to re-petition for a spot in the program. I also understand that per college policy, WITC email is the primary means of communication and that I am responsible for frequently monitoring my WITC student email for any communication from my instructors.

Signature: _____ Date: _____

This form must be signed and submitted to your campus specific dropbox.
