

Wisconsin Indianhead Technical College FY22 (2021-22) Pharmacy Technician Program

The following is additional information about the WITC Pharmacy Technician (PhT) program.
This information supplements the program webpage and district catalog.

Degree: One-Year Technical Diploma

PHARMACY TECHNICIAN PROGRAM - 33 credits

The Pharmacy Technician (PhT) program is a one-year (two semester) program. Students may also elect to complete the program over two years (four semesters). Students must complete 33 credits to graduate. Students are encouraged to take some courses prior to beginning the core courses. The program combines lecture, laboratory, and clinical courses. Travel is required to clinical sites; students must provide their own transportation. Clinical locations are to be determined.

PROGRAM DIRECTOR (WITC New Richmond/WITC Superior)

Jami Wallace
WITC-New Richmond

New Richmond, WI 54017
Telephone: 800-243-9482, ext. 4202
jami.wallace@witc.edu

PROGRAM LOCATIONS/START DATE

New Richmond—Fall Semester
Superior—Fall Semester

ACADEMIC ADMISSION REQUIREMENTS

You will be admitted to the program based on the date and time the above admission criteria is met.

PHARMACY TECHNICIAN COURSEWORK PhT courses are developed so that they must be taken in order. Program progression options are included with this document. CPR for Healthcare Providers training must be completed before students start clinical training.

CLASS COMMITMENT In addition to scheduled class time, it is expected that students spend at least two to three hours studying for each hour of classroom lecture they attend. This represents a significant time commitment, and most students find it necessary to reduce work hours during the program.

TRANSFER CREDIT Official college transcripts are required for any college coursework that has been completed. Official college transcripts must be sealed and sent from the sending institution.

PHARMACY TECHNICIAN PROGRAM STANDARDS Students must earn a grade of 2.0 or higher in all required courses. This policy includes coursework taken at other colleges. Students must also successfully pass all required course competencies. For specific program course requirements, see individual course syllabi. Failure to achieve a 2.0 in a course, failure to achieve the exam score as specified in the individual course syllabi, or failure to pass all required course competencies will delay advancement in the program until an acceptable grade is achieved. Program courses may only be repeated once. If a course needs to be repeated, please contact your advisor before registering. This policy also applies to coursework taken at other colleges.

Wisconsin Indianhead Technical College does not discriminate on the basis of race, color, religion, sex, national origin, age, disability or status in any group protected by state or local law in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Amanda Gohde, Director, Human Resources, Administrative Office, 505 Pine Ridge Drive, Shell Lake WI 54871, 715-468-2815 ext. 2240, Wisconsin Relay TTY:711, amanda.gohde@witc.edu.

COMPUTER NEEDS Since all PhT courses include a web-based component, students are required to have computer and internet access.

BACKGROUND CHECK AND CONVICTION RECORD Students in the PhT program will attend clinical sessions in hospital and community pharmacies that are regulated by state and federal government. The laws state that these clinical agencies may not hire anyone with a history of conviction of certain crimes. WITC must contract with these agencies to provide your clinical experiences while in the program. In order to do so, the agencies expect WITC to adhere to the same guidelines—in other words, they view students as temporary employees.

Within 90 days of the start of PhT clinical courses, a caregiver background check will be run through the [Wisconsin Department of Health Services](#) along with a national criminal background check, and, if applicable, the [Minnesota Department of Human Services](#). Having a conviction history will not necessarily stop you from entering the program. We will need to discuss the charges with you and will make every attempt to confidentially resolve the concern with the hospital and community pharmacies utilized for the clinical courses. Ultimately the hospital and community pharmacies reserve the right to determine what is an acceptable background check. The pharmacy may deny access to their setting based on a negative background check. If this occurs, you would not be able to complete the PhT program requirements. The costs of background checks are the responsibility of the student.

You will also be asked to comply with mandatory drug testing. Positive results on the drug test may also prevent you from being placed in a hospital or community pharmacy.

SCHOLARSHIPS AND FINANCIAL AID Full time students are eligible for financial aid. Scholarships are available.

GRADUATE SALARY EXPECTATIONS

Data not available.

PROGRAM PROGRESSION OPTIONS The Pharmacy Technician program is scheduled to be completed in two semesters as indicated on the Curriculum Checklist. If you would like to spread the courses out over a longer period of time, the following courses could all be taken before you enter into the occupational-specific courses.

❖ Medical Terminology	10-501-101	3 Credits
❖ Digital Literacy for Healthcare	10-501-107	2 credits
❖ Applied Interpersonal Skills	32-809-380	2 credits
❖ Introduction to Psychology	10-809-198	3 credits

The program can also be completed over four semesters.

FY22 (2021-22)
Checklist for Pharmacy Technician Admission

**** All criteria in Phase 1 must be met before moving to Phase 2 ****

Phase 1: Application for Pharmacy Technician Program

_____ Complete application and submit with fee (fee waiver may apply if previously submitted)

_____ Academic admission requirements: Students who are considering the program must meet one

of the following items:

- Minimum High School GPA of 2.1
- ACT Score of 18
- Minimum College GPA 2.0 (min 3 cr)
- Associate or Bachelor's Degree
- Accuplacer scores

Additional measures may be considered as determined by the counselor.

_____ Have earned a high school diploma or GED certificate. Current high school seniors must provide both a current high school transcript and a final transcript with confer date

_____ Review and sign Background Check Disclosure

_____ Review and sign Functional Abilities Disclosure

_____ Complete admissions meeting with a WITC counselor (academic admission requirements apply)

Phase 2: Entry to Pharmacy Technician Program

Will be collected by Pharmacy Technician instructors:

_____ Submit Background Check fee

_____ Have an acceptable Wisconsin Caregiver Background Check, National Criminal Background Check, Minnesota Caregiver Background Check (if applicable), and other states, if applicable

_____ Pass a physical exam, have current immunizations, and demonstrate negative status for tuberculosis (Tb). Decision to not receive vaccinations may limit ability to obtain clinical placement based upon meeting site placement requirements.

_____ Review and sign Health Sciences Confidentiality Statement

_____ Possess current certification of CPR for Healthcare Providers or equivalent

_____ Participate in a mandatory Pharmacy Technician program orientation

_____ Pass mandatory drug testing
