FY22 (2021-22) Wisconsin Indianhead Technical College Phlebotomy Program

SELF-REPORTING REQUIREMENTS

I understand that my enrollment in required clinical experiences of the Phlebotomy program is conditioned upon a clearance following review of all required background checks including National, Wisconsin, and/or Minnesota.

I understand that from the time I submit all required background checks until I graduate from or drop the program, if I am charged with or convicted of a crime or a municipal ordinance violation of any type, before any court, or if I am investigated for any violation of a local, state or federal law, I must report this to the Wisconsin Indianhead Technical College Phlebotomy Instructor within seven (7) school days. I understand and acknowledge that the result of the background check and any subsequent investigation, charge or conviction may cause me to be barred or suspended from clinical programs. I also understand and acknowledge that this may delay or prevent my graduation from the program, as well as delay or prevent my receiving licensure. I am further informed and understand that my failure to report any required information will prevent enrollment in clinical courses and result in dismissal proceedings.

I understand that a further background check will be conducted prior to my enrollment in any clinical course. I also understand that after the initial background check, WITC may conduct a new background inquiry at any time the Phlebotomy Program Instructor has reason to believe that a further background check should be conducted. Finally, I am informed and understand that all background checks are obtained at the expense of the student.

CAREGIVER BACKGROUND CHECK LAW

In accordance with the provisions of Wis. Stat. § 50.065, for persons who have been convicted of certain acts, crimes, or offenses:

- 1. The Department of Health Services (DHS) may not license, certify, or register the person or entity.

 *Note: Employers and Care Providers are referred to as "entities."
- 2. An entity may not employ, contract with, or permit persons to reside at the entity.

The list of offenses affecting caregiver eligibility that require rehabilitation review is available from the regulatory agencies or through the Internet at https://www.dhs.wisconsin.gov/publications/p0/p00274.pdf.

The Caregiver Law covers the following EMPLOYERS / CARE PROVIDERS (aka ENTITIES) regulated under Wis. Stat. §§ 50, 51, and 146:

- Adult Family Homes (3-4 Bed)
- Ambulance Service Providers
- AODA Services
- Community Based-Residential Facilities

- Intermediate Care Facility for Individuals with Intellectual Disabilities
- Home Health Agencies, including those that provide personal care services

Exception: Emergency medical technicians and first responders are not covered under the Caregiver Law.
- Anyone who lives on the premises of a covered entity and is 10 years old or over, but is not a client ("non-client resident").
- Anyone who is licensed by DHS.
- Anyone certified by DHS.
- Anyone registered by DHS.
- Anyone who is a board member or corporate officer who has access to the clients served.

FAIR EMPLOYMENT ACT

Wisconsin's Fair Employment Law, Wis. Stat. §§ 111.31 – 111.395, prohibits discrimination because of a criminal record or pending charge. However, it is not discrimination to decline to hire or license a person based on the person's arrest or conviction record if the arrest or conviction is substantially related to the circumstances of the particular job or licensed activity.

PERSONALLY IDENTIFIABLE INFORMATION

This information is used to obtain relevant data as required by the provisions set forth by the Wisconsin Caregiver Background Check Law. Providing your social security number is voluntary; however, your social security number is one of the unique identifiers used to prevent incorrect matches. For example, the Department of Justice uses social security numbers, names, gender, race, and date of birth to prevent incorrect matches of persons with criminal convictions. The Department of Health Services' Caregiver Misconduct Registry uses social security numbers as one identifier to prevent incorrect matches of persons with findings of abuse or neglect of a client or misappropriation of a client's property.
