

# 2019-2020 Graduate Survey

82% of responding 2019-2020 graduates are **in the labor market** (employed or seeking employment).

“...The relationships that I built with my instructors also provided a welcomed boost in my job search. They helped me to build a strong resume and continued their support in my job searching even after graduation. I could not be more thankful in my choosing of WITC and all that it provided me in two short years.”

## \$43,258

### AVERAGE ANNUAL SALARY

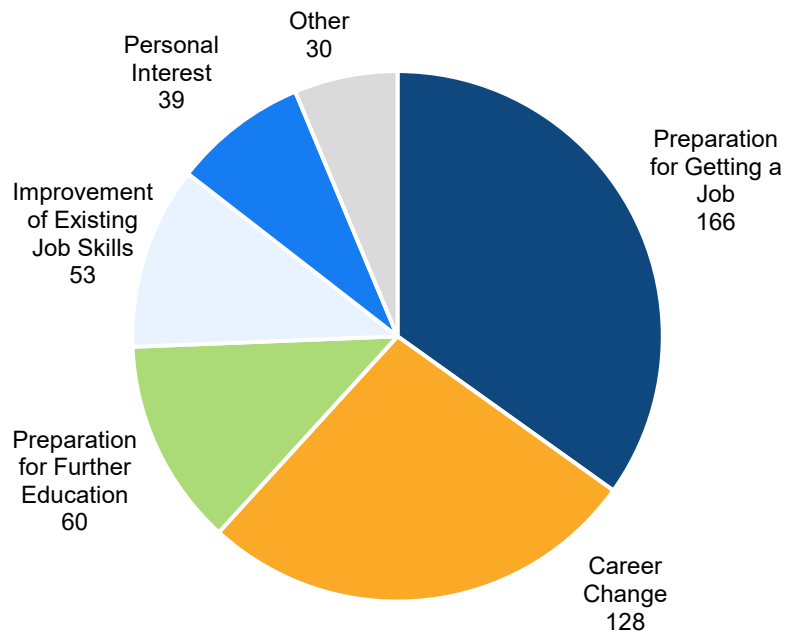

for graduates who are employed full-time in a related job from all programs

**96%** of graduates reported being “**very satisfied**” or “**satisfied**” with the training they received at WITC.

**72%** of graduates work in Wisconsin, contributing to the state's economic development.

**61%** of graduates work in the WITC eleven-county district.

**Nearly three-fourths** of WITC graduates chose WITC to prepare them for their future career, help them make a career change or to improve their existing job skills.

**85%** of graduates **would recommend WITC** to a friend or family member.
