

Health Information Technology (HIT) Pathway

EXPERIENCE. SUCCESS. ONE STACKABLE CREDENTIAL AT A TIME.

Career Pathways are an innovative model that connects progressive levels of education allowing you to build upon your education in increments. Along the way you develop job skills, have potential for higher earnings, and become more marketable to employers. WITC also has support services available to help you along the pathway, including Study Skills, Employment Services, Accommodations, Financial Aid, and others.

BEYOND WITC

Transfer Options
 UW Stout
 Concordia University
 Franklin University
 Lakeland University
 Milwaukee School of Engineering (MSOE)
 The College of St. Scholastica

Important Notes on Transferring:

- Check out witc.edu/transfer for details on specific agreements listed below
- The colleges listed above have developed a Technical Diploma/ Associate Degree to Bachelor Degree Articulation Agreement with WITC
- To learn how your education, or previous college credits, will transfer, talk to a transfer coordinator, at any of the four year colleges listed, to learn how to maximize your credit transfer opportunities
- Transferology, www.transferology.com, or Transfer Evaluation System (TES), may be helpful tools to assist your transfer process

If you have completed previous credits that transfer into the more advanced program, your costs may be less. Please speak with WITC staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented.

**Wage and employment data is compiled from the 2018-2019 WITC Graduate Follow-Up Report.

Health Information Technology (HIT) Pathway
