STUDENT SAFETY AND ACCOUNTABILITY

I verify that I have been made aware of hazards as well as potential injuries/illnesses associated with this health program.

Indicate Date

_____ Orientation session

_____ Handout materials on occupational/classroom hazards

_____ Standard Precautions information materials

I am aware of the protective equipment to be used in association with blood and body fluid exposure risks.

I assume full responsibility for complying with school/program and health agency(ies) safety policies, including those specific to standard precautions and exposure to blood and/or body fluids, and follow-up procedures.

I understand that it is my responsibility to report to my supervising instructor any accident, illness and/or injury immediately.

I have been informed of the advisability of receiving a hepatitis vaccine series for my own protection.

I have started the vaccine series. Date started _____

I have completed the vaccine series.

I realize that the costs associated with preliminary tests, vaccinations, diagnostic tests, and treatment associated with illness(es), injury(ies) and blood and/or body fluids exposure will be my responsibility. I release Northwood Technical College and any clinical/fieldwork/practicum/professional practice experience facility at which I train from any responsibility and liability concerning injuries and/or illnesses I may incur as a student of the College, not caused by the gross negligence of the College.
